Lord Jesus Christ, You have said:
"The harvest is abundant but the laborers are few;
so ask the master of the harvest to send out
laborers for his harvest."
(Luke 10:20)

And so, we humbly pray that You send out such laborers! We ask that You raise up shepherds to serve Your flock as holy priests.

Grant our priests holiness and perseverance in their ministry. Strengthen our seminarians in grace, that they may discern Your holy will.

Speak to the hearts of many young men, that they may hear Your call and serve as holy priests in Your Church.

O Lord of the harvest, graciously hear us!

Amen.
